DETAILED ACTION

This application is in condition for allowance except for the presence of claims 12,17 and 20 directed to a non-elected species without traverse. Accordingly, claims 12,17 and 20 have been cancelled.

Allowable Subject Matter

Claims 1-5,8-11,13-14,16 and 18-19 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art either taken singularly or in combination fails to disclose a heat sink having a plurality of fins coupled to the heat sink, the fins oriented at an angle with respect to a plurality of flow streams, wherein spaces between the fins are substantially even and the flow streams flow in unique directions from a first end of at least two separate sets for the fins toward second end opposite end from the first end, wherein a first fan and a second fan are substantially orthogonal with respect to one another and direct at least a first flow stream and a second flow stream in unique directions substantially horizontally with respect to the first end. The independent claims 1,9 and 14 are not generic claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
